IN THE MATTER OF THE APPLICATION OF
LITCHFIELD PARK SERVICE COMPANY FOR
AN EXTENSION AND A DELETION OF A
PORTION OF ITS CERTIFICATES OF
CONVENIENCE AND NECESSITY TO PROVIDE
WATER AND WASTEWATER SERVICE TO THE
PUBLIC IN MARICOPA COUNTY, ARIZONA.

DOCKET NOS. W-01427A-00-1004
WS-01428A-00-1004

PROCEDURAL ORDER**BY THE COMMISSION:**

On January 15, 2002, in Decision No. 64358, the Arizona Corporation Commission ("Commission") approved the application of Litchfield Park Service Company ("Applicant") for an extension of its Certificate of Convenience and Necessity ("Certificates") to provide water and wastewater service to a section of land surrounded by Applicant's certificated service area in Goodyear, Arizona.

On November 14, 2002, Applicant filed with the Commission an application requesting a one-year extension of a filing date established in Decision No. 64358

In Decision No. 64358, Applicant was ordered to file, within one year of the effective date (January 15, 2003), a copy of the initial Certificate of Assured Water Supply ("CAWS") issued by the Arizona Department of Water Resources ("ADWR") for a 640 acre parcel to be developed into residential and commercial development by several developers. .

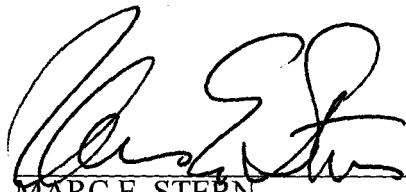

Applicant is requesting an extension until January 15, 2004 for the filing of the copy of the aforementioned document because the developers of the property to be served are experiencing delays because of the complex technical nature of the developments and Applicant believes a substantial extension is required.

On December 2, 2002, the Commission's Utilities Division ("Staff") filed a Memorandum agreeing with the request and has no objection to the extension to January 15, 2004.

Under the circumstances, Applicant's request is reasonable and should be granted.

IT IS THEREFORE ORDERED that the Litchfield Park Service Company be, and hereby is, authorized to file a copy of the CAWS which is to be issued by ADWR as required in Decision No. 64358 by January 15, 2004.

DATED this 19th day of December, 2002.
